**Initial to indicate that you have read and understand these statements:**

\_\_\_\_\_ Borrowing loans is a serious responsibility – borrow conservatively. Loans must be repaid!

\_\_\_\_\_ Subsidized Direct Loan: A loan that the federal government pays interest on during in-school status, grace periods and authorized deferment periods. To qualify for a Subsidized Direct Loan, you must demonstrate financial need.

\_\_\_\_\_ Unsubsidized Direct Loan: A loan that you are responsible for paying the interest on during in-school status, grace periods and authorized deferment periods. You have the option of postponing the interest payments while in school. However, the interest continues to accrue and any unpaid interest will be capitalized (added to the principal balance) as you enter repayment.

\_\_\_\_\_ There is a limit on the maximum period of time (measured in academic years) that you can receive Direct Subsidized Loans. In general, you may not receive Direct Subsidized Loans for more than 150% of the published length of your program. This is called your "maximum eligibility period". You can usually find the published length of any program of study in the GMC catalog. ***If you are enrolled in a 2-year associate degree program, the maximum period for which you can receive Direct Subsidized Loans is 3 years (150% of 2 years = 3 years).***

\_\_\_\_\_ I understand if I should choose to cancel or reduce your loan award, I must do so with my home campus or through my student GMC e-mail.

\_\_\_\_\_ No loans will be processed after the end of the loan period.

\_\_\_\_\_ I understand that loans are considered a source of Title IV Financial Aid.

\_\_\_\_\_ I understand that I must maintain satisfactory academic progress (SAP).

\_\_\_\_\_ I must be enrolled in at least 6 hours **at the time of the loan disbursement** in order to be eligible for the funds.

\_\_\_\_\_ I understand that I must be enrolled in a degree program to be eligible for loan funds.

\_\_\_\_\_ I understand that my loan information will be submitted to the National Student Loan Data System (NSLDS), and will be accessible by guaranty agencies, lenders, and institutions determined to be authorized users of the data system.

\_\_\_\_\_ If I borrow the maximum amount during the academic year, I may not be eligible for summer funds.

\_\_\_\_\_ I understand that if there is a break in enrollment or cancellation of funds due to a withdrawal I must complete and submit a new Loan Request.
