2013-2014 Federal Direct Plus Loan Authorization Request
Main Campus & Extension Learning Centers
(Milledgeville, Madison, Sandersville)

The federal Direct PLUS Loan request process includes two steps for borrowers:

STEP 1: Completion of this authorization form gives Georgia Military College the authority to process a PLUS Loan Credit Request on behalf of the borrower. If approved for credit, the loan will be processed for the amount indicated below. Once completed, please return this form to the Financial Aid Office.

STEP 2: For all 2013-14 borrowers, a Federal Direct PLUS Loan Master Promissory Note (MPN) must also be completed. The MPN alleviates borrowers from having to complete a new promissory note for each year's loan. Your parent must log in to www.studentloans.gov to complete the Parent PLUS MPN. This will require the use of your parent's federal PIN number which may be obtained by going to www.pin.ed.gov and "requesting a duplicate."
