

# Georgia Military College/Mercer University Alumni Weekend October 24-25, 2014

Alumni Platoon

Alumni Weekend was a successful event. The alumni completely enjoyed the tailgate, football game, alumni parade, brunch, and dinner/ dance. Many compliments were passed and Lt Gen Caldwell personally informed the cadet OIC that the planning and execution was handled very well and everything happened as it was planned. With cadets working event set up, clean up, and serving the alumni were able to enjoy their class reunions and reflection of their days as cadets in the earlier corps of GMC. Year books were exchanged and many stories swapped among current cadets and the alumni. Along with the alumni enjoying their weekend, four of our distinguished alumni were honored for the valor during deployment. Also the four Captians were honored by the alumni association with awards and grants named in their honor to help students with scholarship grants.

Alumni Dinner Dance
