Catalyst for positive change

Cathryn Marshall, MSW, personal trainer, author, and owner of FitQuest Inc., returned to Dr. Gilg's classes. She spoke to the students regarding health, wellness, and fitness strategies to optimize success in college. She also brought her new book, *Simple Fat Burn: Three Steps to Becoming Fit & Lean*. Students were also treated to nutritional snacks. You can check out Cathryn's website at <http://www.simplycathryn.com>.

You can find Cathryn's book at www.lulu.com for \$19.99

For Constitution Day & Citizenship Day, September 17, Prof. Wells gave a special lecture regarding this day and the document which is celebrated.

Collections for the 2014 Stand Down began. Our Patriots Club and veterans will once again participate in this event, which will be held between Fall 1 and Fall Quarters.

Stand Downs are just one part of the Department of Veterans Affairs' efforts to provide services to homeless Veterans. Stand Downs are typically one to three day events providing services to homeless Veterans such as food, shelter, clothing, health screenings, VA and Social Security benefits counseling, and referrals to a variety of other necessary services, such as health care, housing, employment, and substance use treatment. Stand Downs are collaborative events, coordinated between local VAs, other government agencies, and community agencies serving the homeless. From: <http://www.va.gov/homeless/events.asp>

Students Assist the Fayette Humane Society

Photo by Col. Mac

Students helped the Fayette Humane Society (FHS) in two ways by donating food and canvassing a local neighborhood heavily populated with stray animals.

According to Dr. Rudd, *the goal of the FHS is to identify animals that need medical care and spay/neuter services at no charge to the residents. We will be knocking on doors to determine where colonies of stray cats live, who is feeding them and approximately how many cats or perhaps dogs, are at each location. Through grant funding, the Fayette Humane Society is attempting to control the population of stray animals and also help the residents who can not afford spay/neuter services. On an individual basis, the FHS provides food and transportation to local veterinary facilities who provide discount spay/neuter services.*

For four hours the twelve participants canvassed the entire neighborhood. The drive resulted in the collection of approximately 150 pounds of food.
