Student parking is available in the lots on the west side of Elliott Hall accessible by Print Street, and the east side of Elliot Hall in the lot marked "Additional GMC Parking," accessible from Duke Avenue.

Two spots have been designated as MOTORCYCLES ONLY parking. The owners of other vehicles parked in those spots will be fined/towed.

PARKING IS NOT ALLOWED NEAR OR AROUND THE DUMPSTER, ON THE SIDES OF THE BUILDING, OR IN THE STAFF AND FACULTY PARKING LOT.

Any vehicles parked in restricted or reserved areas will be subject to fine or towing at the owner's expense.

I have read and understand GMC Warner Robins' parking regulations and restrictions.
